restructuring plan and negotiating with stakeholders so that the plan may be implemented.

- ◆ As part of his corporate restructuring practice, Dom regularly advises and negotiates purchase agreements, and loan and security agreements. Historically, Dom has acted on debtor in possession financings, take out financings, debt assignments and various types of purchase agreements, including stalking horse purchase agreements.
- ◆ Dom also maintains a commercial litigation practice, focusing on corporate disputes and real estate matters. Dom is often retained by individuals and companies that are in search of creative and practical solutions to complex commercial disputes. Dom has appeared before all levels of court in Ontario including a number of appearances before the Ontario Court of Appeal.
- ◆ Dom's ability to provide legal guidance to companies while understanding business realities has seen him retained by small and mid-sized companies as an "in house lawyer for hire". These small and mid-sized companies will put Dom on a monthly retainer so that he may be a general resource to their company.
