ABOUT SANDEV

Sandev is a personal injury lawyer whose practice is focused on serious personal injury matters, disability claims, and class actions. He also has experience in a wide range of civil and commercial litigation matters and is a skilled and effective advocate who takes a client-centred approach. Sandev believes in consistent and frequent communication with his clients and ensures he is always available to them. Pursuing a claim can be demanding, and he never leaves clients with questions, knowing that being well-informed throughout the litigation process can help ease the anxiety and stress.

Sandev is certified as a Specialist in Civil Litigation by the Law Society of Upper Canada and is recognized for personal injury litigation in [Best Lawyers in Canada](#). When he's not fiercely advocating for his clients, Sandev loves watching soccer. As a former player, captain and coach, he understands true leadership and has translated these skills from the pitch to the courtroom.
